I agree to foster a pet from **PARA UAE** under the following conditions:

Foster pets (unless agreed otherwise) have to be kept indoors. Keeping foster pets in an outdoor kennel or locked away in a separate room is strictly prohibited and will lead to the immediate removal of the foster pet from your home.

- ❖ Dogs must receive appropriate exercise, mentally and physically and have to be walked at least twice a day (unless agreed otherwise), of course considering the weather conditions in the UAE.
- ❖ Foster pets have not to be left alone longer than 6 hours in one go and as per Municipality regulations.

Other conditions may apply based on the needs of each individual foster pet, these matters will be discussed.

I understand that my foster pet might not yet be litter trained/house trained and might have incidents. I do understand that my foster pet has not to be punished in any way or for any reason in any inappropriate manner. I agree to participate at adoption days with my foster pet if there are any scheduled. I agree to actively support **PARA UAE** with finding a forever home for the foster animal by sharing his informations to my network and on social medias. I am fully aware that the foster pet is the sole property of **PARA UAE** and I do have no ownership rights on the foster pet. I do understand that a breach of this foster agreement can lead to legal consequences covered by the laws of the UAE. I further certify that I have read and understand the terms of this Foster Questionnaire & Agreement.
